

HOW TO PLAY:

Search for clues along the designated trail. Use this Clue Card to mark off the clues you find. When only one option remains in each category, you have solved the crime! Email your accusation to HK@kodiakhealthcare.org. Accusations are due by Sunday night at 11:59pm the weekend of the game.

Be sure to maintain appropriate social distancing while you investigate and please don't remove the clues!

WIN PRIZES:

Winners will be drawn for each game. You will get a bonus entry for submitting a selfie taken on the trail. Drawings will take place on Tuesday following the game.

2 GAME SERIES:

Each weekend will feature a different trail where the game will take place. There are different outcomes for each game, so play them both!
